**Sponsorship opportunities now available at the charity's new
Education Centre!**

When Jim started Monkey World in 1987, it was a barren landscape and over the years the planting of so many trees has transformed the park. The Jim Cronin Memorial Fund's recent Sponsor a Tree scheme at Monkey World has enabled us to plant a further 270 trees to date, and we are now expanding this scheme to the charity's new Education Centre.

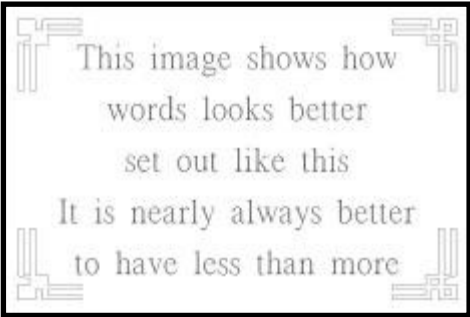

We have a variety of established and beautiful trees available for sponsorship at the centre, from stunning Silver Birch through to mighty Oaks, a sponsored tree not only ensures a lasting legacy for future generations but also provides a beautiful memorial to a loved one no longer with us. Each sponsored tree at the centre will include an engraved plaque detailing the sponsors name and date.

With prices starting at just £100.00 to include an engraved plaque, this is a beautiful way to remember a loved one.
